

**Waterside Workshops is hosting its annual Land and Sea Party on September 14 at the Berkeley Yacht Club.**

Located at the Berkeley Aquatic Park, Waterside is a 501(c)(3) nonprofit dedicated to empowering youth and fostering community connections through hands-on experiences in bicycle mechanics, wooden boatbuilding, and outdoor education.

Each year, over 300 youth ages 8-24 participate in our programs, gaining confidence, work skills, and access to resources for healthy, sustainable lives. To support our youth programs, we're hosting a special dinner and fundraiser event, and it'll be our best one yet. We'd love to see you there!

## **MAKE A DONATION AND BECOME A PARTY HOST**

We are seeking donations that will kickstart our fundraising efforts. All funds received will support our free youth programs—camps, classes, outdoor trips, bike giveaways, and paid job-training internships—and enable us to serve even more young people.

By contributing to the Land and Sea Party, you become one of our esteemed “party hosts,” enjoying access to this exciting event, along with special benefits and recognition. Even better, your tax-deductible donation will support Waterside’s vital mission to empower youth. Your support will help them feel heard, gain confidence, develop work skills, and access the resources needed for healthier, more sustainable lives.
